Information about Finnkampen competition.

Finnkampen will be divided into three main “Events”.

First event - Static, Dynamic and Dynamic No Fins.

In this event, all athletes are free to compete in all three disciplines.

- 1st 2nd and 3rd prize for men in STA – DYN – DNF
- 1st 2nd and 3rd prize for women in STA – DYN – DNF
- 1 Beat your Best prize

The total value of the prize checks from Viking Line is 960€
There will also be other good stuff and maybe even “surprises”.

We will add together all the AIDA points from each athlete and divide it with the number of participating athletes from each country to get the average points. **These points are “Finnkampen” points.**

Red card = - 100 points for the athlete

National Record = 100 extra points for the athlete

Second event - Team Static.

Each team will choose their three top athletes for this event.

Third event - Fun games

Depending on the time, we will have a few freediving related fun games, where one or more athletes will be chosen in the team for each “game”. The points will vary between the different games, but when the games are finished, we will add the points from each country together and get more **“Finnkampen” points**. The points from each event will be added together to find out which country that is the winner of **“Finnkampen 2008”**

We will brief you shortly before these games, about the points system and rules of the games.

Here are a few names of our games. Give it a guess what they are about:

The Ålandsferry
Tjoflötjen
Screw diver
Flipper
Static IQ
Le Grande bleu

Other information about the competition!

In the registration form, it says that you **MUST** enter the names of your coaches.

But this doesn't mean that you got to have a coach!

We will have safety divers to tap you and to give you the time if you wish, but if you want a coach of your own, we want to know the name of him/her **before** the competition. This is a request from the judges.

If you have any questions, you may send an e-mail to peter@freedivingteam.com or ingela@freedivingteam.com and we will try to give you the answers!
